

1 February 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 1 February 1967

DD/I told the Director that he had reviewed the cable from the military attache in Moscow and that it did not appear to contribute to the intelligence picture of the Soviet ABM program.

The Director called attention to this morning's Joe Alsop column and noted that newsmen in Washington are concentrating on the subject of infiltration figures in Vietnam.

Lehman tabled a memorandum on Latin America which he described as a reference aid intended for routine dissemination. The Director agreed to the proposed dissemination.

Lehman reported that the Chinese Communist internal situation remains confused and noted a report of an attack in posters on the commander of the Peking military district. The Director discussed an article by Stewart Alsop in the Saturday Evening Post.

The Director discussed with Kent the necessity of a pre-USIB meeting and said that he would talk with Kent after the meeting about the Estimate on Spain. There will be no pre-USIB this week.

DD/S briefed the Director on a demonstration and counterdemonstration on the Rutgers campus in connection with the visit of an Agency recruiter.

Warner reported that he discussed with Senator Dirksen an item concerning Soviet missiles.

Warner noted the Director's scheduled briefing at 1430 Friday of Senator Gore's Subcommittee on Disarmament. In view of the fact that the briefing will be mostly on Soviet weaponry, the Director asked the A-DD/S&T to accompany him.

A-DD/S&T will be at IDA tomorrow morning attending a strategic study panel which for the next six months will be considering the future of U. S. advanced weapons.

DD/P said that he is preparing a brief paper on the upcoming publication of an article in Ramparts magazine alleging Agency connections with the National Student Association in case the Director wishes to mention this to PFIAB tomorrow. The Director discussed the possibility of action by the Internal Revenue Service and asked Houston to let him know if there is any footdragging on this. (See Action 1)

The Director announced that he will be taking only two copies of the latest ROLLING THUNDER study to Secretaries McNamara and Vance. He said that it is a first-class study but that there will be no other outside distribution without his signature.

The Director asked that papers prepared to go outside the Agency be written so as to be readily understandable to the addressee. Care should be exercised to use basic English and to eliminate internal Agency jargon. He was not referring to DD/I publications.

The Director briefed on his attendance at a meeting of the Senior Interdepartmental Group.

ACTIONS:

1. The Director felt that Warner should be filled in on the problem with Ramparts magazine so that he can alert the necessary staff personnel on the Hill. (DD/P by 2 February)
